# HOS Monitoring 24/7

This package is designed for companies that do not want to lose control over their drivers. Our team provides 24/7 support to drivers and helps them manage their working hours correctly and efficiently.

Driver's Records of Duty (RODs) and Supporting Documentation

- Maintain 30 consecutive days of RODs for each driver along with supporting documents
- Record of duty includes at least one interstate trip

HOS Monitoring 24/7

- 24/7, 365-day support (including holidays)
- Assistance within 5-50 minutes
- Monitoring driver's logs and preventing HOS violations
- Full compliance with DOT and FMCSA regulations
- We speak English, Romanian, Russian, and Ukrainian

The 24/7 service provided will be charged in full if the driver needs support for more than 15 days.
